November 2021 Newsletter

DWD Upcoming Holiday Hours

Please be advised that the offices for DWD Professional Management will be closed on **Thursday, November 25, 2021 and Friday, November 26, 2021** in observance of the Thanksgiving holiday. Our offices will also be closed **Monday, December 20, 2020 through Friday, December 31, 2021** in observance of the Christmas and New Year's holidays.

However, we will have availability by phone and email on **December 20-22** and **December 27-29**. Therefore, if you need assistance before the Christmas and New Year's holidays, please ensure that you contact us at the beginning of each week as we will not be available on Thursday and Friday of those weeks. We wish everyone a happy and safe holiday season!

2022 Assessment Information

On Thursday, October 14, the Board of Directors held their Budget meeting at the community pool. After much consideration, the Board voted to increase the monthly assessment next year. Due to the current rise in the costs for labor, supplies, insurance, utilities, and services, this increase was needed in order to balance your budget for 2022. **Therefore, your assessment will increase to \$105.00 per month for 2022.** You should receive your new coupon booklets in late November or early December from the Association's bank. If you do not receive your coupon booklet by mid-December, please contact the management office for assistance.

Please direct all concerns to the management company. For ARB requests, please go to the Association's website, www.windsorwalkhoa.weebly.com. Click on "Resident Services" then "Online Forms." Fill out and submit the form prior to making any exterior modifications to your home.

Visitor Parking Permits

Please be advised that the Board voted for towing to begin along Stratford Upon Avon Boulevard and in the common area parking spaces as of September 15, 2021 for all vehicles without parking permits.

We mailed permits and the parking rules to all owners who did not previously obtain them in person at the management office or at the community pool. Therefore, if you have tenants, please ensure that your tenants receive these permits along with the parking rules.

The rules for parking are as follows:

Visitor parking in the community on Stratford Upon Avon Boulevard and in common area spaces is by permit only. Parking in the two (2) permanent parking

spots in front of each residence does NOT require a permit. Each unit is entitled to two (2) visitor's permits. **This permit should be displayed on the rearview mirror of the vehicle with the permit number clearly visible to the outside. Any vehicles parked without a clearly visible and properly displayed permit along Stratford Upon Avon Boulevard will be towed at the owner's expense.**

The towing company will be patrolling the parking lots looking for the following vehicles:

- Vehicles that do not have the proper parking permits on Stratford Upon Avon Boulevard or in common area parking spaces between **1 AM – 7 AM.**
- Commercial vehicles
- Boats or any other recreational vehicles
- Trailers
- Vehicles without license plates or with expired license plates
- Vehicles that are parked on the common area grass or in front of the dumpsters
- Vehicles that are double parked (vehicles that parked behind cars which are parked in parking spaces)

- Vehicles blocking fire hydrants or vehicles parked in fire lanes
- Clearly disabled and inoperable vehicles that have not moved for 48 hours or more

If your vehicle or the vehicle of a guest is towed due to a violation of the parking rules and regulations, you should contact the towing company to resolve the situation. Please see their contact information below:

Universal Towing & Recovery

206 6th Street, Lot 300

Orlando, Florida 32824

Phone: 407-816-0102

Fax: 407-816-0103

Email: universaltowingremovals@yahoo.com

Please do not call DWD Professional Management if your vehicle is towed, as management has no authority to intervene with the towing company.

Finally, if you plan to have a party or an event with several visitors on property (beyond the two normally permitted), please contact the management office to request temporary visitor's permits. These permits may be picked up at the management office. Please ensure that you give the management company at least 48-hour notice before requesting permits for these events.

We greatly appreciate your cooperation and assistance in this matter.

New Pool Keys

Please be advised that the Association will be installing a lock on the pool gate. Therefore, each unit will receive one (1) pool key free of charge. The Board will be providing these pool keys at the community pool for owners.

Please be advised that if the pool key is lost, you may purchase a replacement key for \$75.00. To purchase a replacement key, please make your check or money order payable to [Windsor Walk HOA](#).

If you have tenants, you will be responsible for providing the pool key to your tenants. If you would like to give your tenant authorization to pick-up the pool key for your unit, please email this form with your authorization to DWD Professional Management at info@dwdpm.com. Please ensure that your tenants return the pool key to you at the end of their lease agreement.

If you have any questions or concerns, please contact the management office by phone at 407-251-2200 or by email at info@dwdpm.com.

Monthly Property Inspections and Notifications

The community management company is tasked by the Board of Directors each month to complete an inspection of all properties within the community. Below is a partial list of some of the violations that they will be on the look-out for during these inspections:

- 1) Grass that need maintenance or full replacement (weeds, dead spots, etc.)
- 2) Houses that may need pressure washing or painting.

- 3) Roofs that need pressure washing or repairs
- 4) Fences in need of cleaning and/or repair
- 5) Weeds and grass in flower beds and missing mulch or stones in flower bed area
- 6) Garbage or debris
- 7) Parking on the grass/double parking
- 8) Commercial vehicles, recreational vehicles, or trailers in driveways

The community management company's staff members will inspect each property from the road in a vehicle, and they will take pictures of any violations. They will not go onto your property to complete their inspection. Please be kind to the inspectors when they are completing their monthly inspections. The staff members will always identify themselves when approached if you have questions. However, please do not approach them in a hostile or negative manner. They are there to complete a job as directed by the Board of Directors and to help the community.

If the inspectors find any problems with the exterior of your home, the management company will send you a letter notifying you of the violation. If you receive a violation letter, please feel free to contact the management company via email or by phone if you have any questions or if you need more time to correct the area of concern. The management company will work with you to make the needed improvements. Communication is very important so we can work together to maintain and improve our property values. Thank you for your cooperation regarding these matters.

Feral Animals

It has been brought to the attention of the management company that some of the residents are feeding stray animals in the community. According to Orange County Animal Services, anyone who feeds these stray/feral animals is considered the owners of these animals and is responsible for them. Therefore, please do not feed feral animals in the community. In addition, if you are having issues with a feral animal or if you find a dead animal in the community, please contact Orange County by dialing 311 or contact Orange County Animal Services at 407-836-3111 to report these issues. Please be advised that the staff member on property is not responsible for handling these types of matters. If you have any questions, please contact the management office.

Dumpster Area

Please keep the dumpster area clean by ensuring that garbage is placed inside the dumpsters and is not thrown onto the ground. Please also ensure that all boxes are broken down and all waste is in garbage bags that are closed securely. Also, please be aware that when residents overflow the dumpster, the garbage trucks cannot dispose of the waste and it costs the Association additional dumping fees. We are asking for everyone's assistance in keeping the community clean and dumping garbage appropriately.

Procedure for Reporting Maintenance Issues

If you are renting your unit in the community, please be aware that **all maintenance issues should first be reported to your landlord or property management company.** Your landlord or property management representative should then contact the community management office to make arrangements for the repair.

If you are an owner in the community, please contact the community management office to report any maintenance concerns or issues. We will help you determine if the repair is your responsibility to correct or if it is the responsibility of the Association.

Finally, please remember that the community management office is not open over the weekend or during national holidays. If you have a maintenance emergency during a weekend or during a holiday, you may leave a message and the community management staff will contact you on the next business day.

By following these guidelines, you will greatly assist the staff in providing more efficient service. Thank you for your cooperation in this matter.

Payment Plan Options

If you are experiencing financial difficulties or job loss, please contact our office to set-up a payment plan. **It is very important that you contact us to discuss this matter. We cannot set-up a payment plan if we are not aware of your financial situation.**

If you have any other questions or concerns regarding your account balance, please feel free to contact the management office at 407-251-2200 or at info@dwdpm.com.

Please Pick-Up Leaves/Maintain Front of Units/Tree Trimming

The Board of Directors would like to remind everyone that residents are responsible for maintaining the front of their properties. This includes the maintenance of landscaped areas, the removal of leaves, and tree trimming. Therefore, please complete weekly maintenance of your landscaping in compliance with the governing documents of the community.

If you have any questions or concerns regarding this matter, please contact the management office.

417 Widening Project - Update

On pages 11-12 of this newsletter, please find an announcement from the Central Florida Expressway Authority regarding their schedule for widening the 417 from International Drive to Narcoossee Road. The project has several phases that will impact our area. You may also visit the following website for additional information regarding this project from the Central Florida Expressway Authority:

COVID-19 Procedures - DWD Professional Management Office

Based on the CDC guidelines that were recently issued, the management office will follow new procedures based on this guidance at the local, state, and federal levels. Appointments are no longer required to visit the office. **Therefore, the lobby is open from 9 AM – 5 PM Monday through Friday for walk-ins.** You may still contact our office to make an appointment if you would prefer. However, they are no longer required.

We do require that all visitors and staff wear face masks while inside the management office and that proper social distancing is followed. We also still encourage residents to conduct business online using the resident portal or on the phone as much as possible.

We will continue to monitor the situation at the local, state, and federal level and will provide updates to you as needed. We encourage all of our residents to follow the recommendations from the Center for Disease Control (CDC) and the Florida Department of Health regarding COVID-19 in order to limit the spread of the disease and to keep your family and neighbors safe.

Please use the following links to the websites for the CDC and the Florida Department of Health.

Center for Disease Control: <https://www.cdc.gov/coronavirus/2019-nCoV/index.html>

Florida Department of Health: <http://www.floridahealth.gov/> or call the COVID-19 Hotline if you have questions at 866-779-6121.

If you have any questions or concerns, please contact our office by phone at 407-251-2200 or by email at info@dwdpm.com. Take care, and stay safe.

Owner Access Platform

Please be advised that you may utilize an online owner access portal where you may login to manage your account and access community documents. With your Internet-enabled device, you are able to view your current account balance, check your payment history, view your open records and more!

To ensure your privacy, only homeowners whose email address is on file have already received a registration email. **If you have not already provided your email, please email your information to info@dwdpm.com** and include your community name, address within the community, and the email address you want on file. This extra step is designed for the safety of your personal information because it allows us to verify each homeowner. Once your email address has been opted into the system, you will receive an email to register. For security purposes, a return email will be sent to confirm you are the owner of that email account.

If you received the registration email but the time has expired and you are in need of a new registration email, please contact our office by email at info@dwdpm.com with your request. Please make sure to include the email address you want us to use and we process a new registration email for you.

Please check your SPAM folder as it may be filtered automatically. After you click the link in the confirmation email you can create your password and your account will be registered. You will then be able to log into your account using your email address and the password you created when you registered. Please make sure to use Google Chrome which is the preferred web browser for the platform.

We encourage everyone to utilize the new on-line access platform at <https://owner.topsoft.com/DWDProfessionalManagement/Account/Login> in order to review your account balance and obtain information. Please let us know if have not received your invitation to join the platform, and we will help you set-up your account.

Please Pick-up After Your Pets and Keep Pets on a Leash at All Times

We understand that many of the residents in our community are pet owners. Owning a pet is a wonderful experience for the "parent" and it brings many joys to you as well. However, having a 4-legged addition to your family also brings many responsibilities.

If your new bundle of joy happens to be a dog, then one of the responsibilities is picking up after your pet. When you live in a community, you cannot just let your dog out and then close the door. **Your pet must be on a leash at all times, and any pet waste MUST be picked up and disposed of in a waste receptacle.** This is not only a community rule; it is an Orange County ordinance as well. The Association has installed several doggy stations throughout the community for your convenience. Please use these receptacles to dispose of any dog waste. Dog waste is a hazardous substance and causes damage to grass and may spread illnesses to others. It is extremely important that your dog is on a leash for the protection of other animals and for the protection of people (especially children) who may encounter your pet within the community. Keeping your dog on a leash is also a protection for your pet since it safeguards them from dangerous situations.

If you see a dog unattended within the community, please notify Orange County Animal Control at the following number: 407-836-3111. Thank you for your understanding and cooperation in this matter.

Noise Issues – Please be Respectful to Your Neighbors

Please be aware that Orange County Sheriff's Office does not have any set time for enforcing noise complaints. The Disturbance of the Peace Statute is enforceable any time of the night or day. If a resident feels that his or her peace is being disturbed, all he or she has to do is call the Sheriff's Department to file a complaint. Once that is done, the Orange County Sheriff's Department will send an officer to request that the responsible party tone down their gathering. If a second request is made concerning the same disturbance, the responding officer may arrest the responsible party. Please be considerate and respectful of your neighbors so that the Sheriff's Department is not needed to handle these types of situations. We greatly appreciate your cooperation in this matter.

Windsor Walk Rules

Below is a list of the rules for the community. If you rent out your property, we ask that you please provide a copy of these rules to your tenants.

OWNERS AND RENTERS: YOU ARE RESPONSIBLE FOR OUTSIDE CLEANLINESS. THIS INCLUDES CLEANING THE BUILDING AS WELL AS THE OUTSIDE OF YOUR FENCE. YOUR NEIGHBORS SHOULD NOT HAVE TO LOOK AT GREEN MOLD ON YOUR FENCE.

Architectural Changes (Exterior Modifications)

It has come to our attention that some homeowners are not familiar with the steps of the Architectural Review process. That is quite understandable. We would like to take this opportunity to help anyone in our community better understand this process.

If you are going to make any changes to the front of your property, including landscaping changes or repainting your home, or if you intend to make any structural changes to your property (i.e., screen enclosures), then you will need to fill out the Architectural Review Committee (ARC) application.

These applications will always be available on your community's website and they are included in the monthly newsletter (please see the form below). Please follow the instructions on the form and submit all of the required documents for your requested change. When you are submitting an application to the ARC, remember to include the following:

1. Two (2) copies of the property survey that show the location of the proposed changed, alteration, renovation or addition.
2. Two (2) drawings of your plan(s).
3. Two (2) copies of color samples, if applicable.

Please note that applications submitted by fax or without two (2) copies of the survey, drawing, or color sample will be considered incomplete. If an application is incomplete, it will not be processed and will be returned to you. **Finally, please be aware that the Association has architectural guidelines indicating the list of approved color schemes for painting your home and the shingle colors for any roof replacements. If you would like to review these guidelines, please visit the Association's website at the following link:** [architectural_guidelines_for_windsor_walk_hoa_-_adopted_on_09-03-2020.pdf](https://www.windsorwalkhoa.com/files/2020/09/architectural_guidelines_for_windsor_walk_hoa_-_adopted_on_09-03-2020.pdf) (weebly.com).

If you have any questions, please call us at 407-251-2200, and we will be happy to assist you. Also note that management does NOT approve or deny any of these requests. We collect the applications and then submit them to the community's Architectural Review Committee (ARC). The ARC is a group of volunteer homeowners who review the applications and approve or deny the applications based on your community's written criteria (the architectural guidelines). Per Florida Statutes, this process may take up to 30 days. As soon as the Committee makes a decision, we will mail you the letter of approval or denial. Please make sure you do not proceed with any improvements until you have heard from the Committee. We hope this helps everyone understand the Architectural Review process a little better. If this still leaves you with any questions, please feel free to contact the management office.

SR 417 CORRIDOR WIDENING PROJECTS: SEGMENT 3

LANDSTAR BOULEVARD TO BOGGY CREEK ROAD

PROJECT DESCRIPTION

The Central Florida Expressway Authority is widening State Road 417 (Central Florida GreeneWay) from Landstar Boulevard to Boggy Creek Road in order to reduce congestion and improve traffic flow. This 3.7-mile project will add a lane in each direction, expanding the expressway from four to six travel lanes. Eleven sound walls are proposed in this segment. See the map for proposed wall locations.

CFX is also adding wider median shoulders that can temporarily accommodate additional traffic during emergency response events, such as traffic accidents or hurricane evacuations. This is one of five widening projects on SR 417 between International Drive and SR 528 (Martin B. Andersen Beachline).

WHAT TO EXPECT

During construction, temporary lane and ramp closures will be necessary to accommodate work. To minimize the impact of construction to motorists traveling on SR 417, lane and ramp closures will not be permitted during peak travel times. There will be night and weekend work on this project.

WORK ZONE SAFETY

For the safety of motorists and work crews, speed limits will be strictly enforced during construction. Speeding fines are doubled in work zones when workers are present. Motorists are reminded to change lanes for safety when they see Road Rangers assisting other motorists or flashing lights — it's Florida law.
